

Rural Housing Service, USDA

§3550.160

of security property or granting of a right-of-way across the security property, and grant a partial release provided:

(1) The compensation is:

(i) For sale of the security property, cash in an amount equal to the value of the security being disposed of or rights granted.

(ii) For exchange of security property, another parcel of property acquired in exchange with value equal to or greater than that being disposed of.

(iii) For granting an easement or right-of-way, benefits derived that are equal to or greater than the value of the security property being disposed of.

(2) An appraisal must be conducted if the latest appraisal is more than 1 year old or if it does not reflect market value and the amount of consideration exceeds \$5,000. The appraisal fee will be charged to the borrower.

(3) The security property, after the transaction is completed, will be an adequate but modest, decent, safe, and sanitary dwelling and related facilities.

(4) Repayment of the RHS debt will not be jeopardized.

(5) If applicable, the environmental requirements of 7 CFR part 1940, subpart G are met.

(6) When exchange of all or part of the security is involved, title clearance is obtained before release of the existing security.

(7) Proceeds from the sale of a portion of the security property, granting an easement or right-of-way, damage compensation, and all similar transactions requiring RHS consent, will be used in the following order:

(i) To pay customary and reasonable costs related to the transaction that must be paid by the borrower.

(ii) To be applied on a prior lien debt, if any.

(iii) To be applied to RHS indebtedness or used for improvements to the security property in keeping with purposes and limitations applicable for use of RHS loan funds. Proposed development will be planned and performed in accordance with 7 CFR part 1924, subpart A and supervised to ensure that the proceeds are used as planned.

(d) *Lease of security property.* A borrower must notify RHS if they lease the property. If the lease is for a term

of more than 3 years or contains an option to purchase, RHS may liquidate the loan. During the period of any lease, the borrower is not eligible for a payment subsidy or special servicing benefits.

§3550.160 Refinancing with private credit.

(a) *Objective.* RHS direct loan programs are not intended to supplant or compete with private credit sources. Therefore, borrowers are required to refinance RHS loans with private credit sources when RHS determines that the borrower meets RHS criteria.

(b) *Criteria for refinancing with private credit.* Borrowers must refinance with private credit when RHS determines that the borrower has the ability to obtain other credit at reasonable rates and terms based on their income, assets, and credit history. Reasonable rates and terms are those commercial rates and terms that borrowers are expected to meet when borrowing for similar purposes. Differences in interest rates and terms between RHS and other lenders will not be an acceptable reason for a borrower to fail to refinance with private credit if the available rates and terms are within the borrower's ability to pay.

(c) *Notice of requirement to refinance with private credit.* The financial status of all borrowers may be reviewed periodically to determine their ability to refinance with private credit. A borrower's financial status may be reviewed at any time if information becomes available to RHS that indicates that the borrower's circumstances have changed.

(1) A borrower undergoing review is required to supply, within 30 days of a request from RHS, sufficient financial information to enable RHS to determine the borrowers ability to refinance with private credit. Foreclosure action may be initiated against any borrower who fails to respond.

(2) When RHS determines that a borrower has the ability to refinance with private credit, the borrower will be required to refinance within 90 days.

(3) Within 30 days after being notified of the requirement to refinance with private credit, a borrower may contest

§ 3550.161

the RHS decision and provide additional financial information to document an inability to refinance with private credit.

(d) *Failure to refinance with private credit.* (1) If the borrower is unable to secure private credit, the borrower must submit written statements and documentation to RHS showing:

- (i) The lenders contacted.
- (ii) The amount of the loan requested by the borrower and the amount, if any, offered by the lenders.
- (iii) The rates and terms offered by the lenders or the specific reasons why other credit is not available.
- (iv) The information provided by the borrower to the lenders regarding the purpose of the loan.

(2) If RHS determines that the borrower's submission does not demonstrate the borrower's inability to refinance with private credit, or if the borrower fails to submit the required information, foreclosure may be initiated.

(e) *Subordination of recapture amount.* RHS may subordinate its interest in any deferred recapture amount to permit a borrower to refinance with private credit. The amount to which the RHS debt will be subordinated may include:

- (1) The amount required to repay the RHS debt, exclusive of recapture;
- (2) Reasonable closing costs;
- (3) Up to one percent of the loan amount for loan servicing costs, if required by the lender; and
- (4) The cost of any necessary repairs or improvements to the security property.

(f) *Application for additional credit.* A borrower who has been asked to refinance with private credit will not be considered for additional credit until the refinancing issue is resolved unless such additional credit is necessary to protect the Government's interest.

§ 3550.161 Final payment.

(a) *Payment in full.* Full payment of a borrower's account includes repayment of principal and outstanding interest, unauthorized assistance, recapture amounts, and charges made to the borrower's account. Any supervised funds or funds remaining in a borrower's escrow account will be applied to the bor-

rower's account or returned to the borrower.

(b) *Release of security instruments.* RHS may release security instruments when full payment of all amounts owed has been received and verified. If RHS and the borrower agree to settle the account for less than the full amount owed, the security instruments may be released when all agreed-upon amounts are received and verified. Security instruments will not be released until any deferred recapture amount has been paid in full.

(c) *Payoff statements.* At the borrower's request, RHS will provide a written statement indicating the amount required to pay the account in full. RHS may charge a fee for statements for the same account if more than 2 statements are requested in any 30 day period.

(d) *Suitable forms of payment.* Suitable forms of payment are: check, money order, or bank draft. Borrowers who make cash payments will be assessed a fee to cover conversion to a money order.

(e) *Recording costs.* Recording costs for the release of the mortgage will be the responsibility of the borrower, except where State law requires the mortgagee to record or file the satisfaction.

§ 3550.162 Recapture.

(a) *Recapture policy.* Borrowers with loans approved or assumed on or after October 1, 1979, will be required to repay subsidy amounts received through payment subsidy or deferred mortgage assistance. Amounts to be recaptured are due and payable when the borrower transfers title or ceases to occupy the property.

(b) *Amount to be recaptured.* (1) The maximum amount to be recaptured is the amount of principal reduction attributed to subsidy and the lesser of:

- (i) The amount of subsidy received; or
- (ii) 50 percent of the value appreciation.

(2) The value appreciation of property with a cross-collateralized loan is based on the market value of the dwelling and lot. If located on a farm, the lot size would be a typical lot for a single family housing property.
